

Pre-Final Meeting

“Promoting Teacher Education for Climate Change Education through Collaboration between Asian Centres of Excellence on Education for Sustainable Development (ATECCE)”

Organized by Okayama University, Cooperation with UNESCO Beijing, Asia-Pacific Cultural Centre for UNESCO
and Supported by Japan Society for the Promotion of Science

21st February, 2023
13:00-17:10 Japan Standard Time (UTC+9), Online

The purpose of this meeting is to exchange information on the progress, execution and assessment of current teacher training programmes on climate change education at various institutions, and to clarify success factors and challenges for developing an “Asian Framework of Teacher Education Programme for Climate Change Education” and its dissemination guide.

The meeting will also feature an invited lecture by Prof. Dr. Sandra Sprenger, a leading climate change education expert from Germany.

We cordially invite and strongly encourage the participation of teacher educators, students and other individuals interested in this field.

Hiroki Fujii
Research Coordinator, ATECCE project
Director, Okayama University ESD Promotion Centre
